Psychiatric Emergency Services

A person in a mental health crisis may have a hard time handling everyday things like relationships, parenting and going to work or school. A crisis can happen after life changes and sad or scary events.

What can a mental health crisis look and feel like?

- Feeling like you can no longer deal with life
- Giving away things that mean a lot to you
- Seeing or hearing things that others don't
- Having thoughts of killing yourself or others
- Feeling people are out to get you
- Pulling away from family and friends
- Using drugs and alcohol

If you need help now, call the
24/7 Crisis Helpline at **512-472-HELP (4357)**.
